Dear Parents/Guardians,

The safety and security of our students and staff is a high priority for Kuhio School. There have already been several incidents on campus that have compromised the safety and security we try to maintain.

Our campus is a very open campus, with people cutting through, parents coming on campus for meetings or to conduct other business, deliveries, etc. With safety as a priority, we are asking **EVERYONE** coming on to the Kuhio School campus for **ANY REASON**, to follow some simple rules in order to keep our campus safe.

1. ALL VISITORS (for any reason) MUST check in at the school office.
2. We ask that you help us limit the number of people on campus - leave campus promptly after dropping off your child(ren) in the morning. No socializing on campus (sitting on the benches, hanging out around the cafeteria).
3. **DO NOT** come on campus early to wait to pick up your child(ren) after school. We ask that all parents stay in the parking area or other areas just off campus to wait until children are ready to leave campus.
4. If you do have a disagreement or other incident, do not approach the other person(s) directly. Bring the incident to the attention of the principal, who will conduct the investigation and contacts.

With your assistance, we will be able to maintain the safety and security of our students, faculty and staff. If you have any questions or concerns, you may contact me at (808)973-0085.

Sincerely,

A handwritten signature in cursive script that reads "Lynn M. Kobayashi".
