Dear Kuhio Ohana,

As we step into the month of November we are reminded of the importance of gratitude and the many opportunities we have to express our thankfulness. This month, we are excited to celebrate both Veteran's Day and Thanksgiving with your children. It is a special month to focus on helping our children learn and appreciate the values of gratitude and giving back.

Veteran's Day - November 11th: Honoring Our Heroes-On November 11th, we will be commemorating Veterans Day, a day set aside to honor and express gratitude to the brave men and women who have served in our nation's armed forces. This is a wonderful opportunity for us to teach our children about the sacrifices and dedication of our veterans.

Thanksgiving - A Time to Give Thanks-Thanksgiving, November 23, is a time to come together with family and friends to express gratitude for the blessing in our lives. We encourage you to take this opportunity to discuss with your children what they are thankful for and to share the joy of giving thanks.

We hope that you can join us in these celebrations and take time as a family to discuss the values of thankfulness and gratitude. It's important for children to understand the significance of giving back and of appreciating everything they have in their lives.

Thank you for your continued support and involvement in your child's education. We look forward to a wonderful November filled with gratitude and togetherness.

Sincerely,

Lynn M. Kobayashi, Principal
