Drive With Aloha

Kuhio School is part of a wider residential community. We are asking all parents and community members to remember to **Drive With Aloha!**

Have patience - Kuhio School staff are working hard to get parents and students in and out as quickly, safely and efficiently as possible. Impatience leads to frustrations, delays and potentially accidents. A little patience will go a long way to make the whole day better!

Follow directions - Kuhio School staff, in red and yellow safety vests, will be out at the pick up line to help direct traffic. The staff members are volunteering their time to help make the pick up as smooth as possible. Please listen to the staff as they are directing you - this helps everyone get through the line quickly and smoothly, without accidents.

Slow down - even without signs posted, this is a school zone. Slow down and be aware of pedestrians, especially during drop-off and pick-up times.

Take turns - Kahoaloha Lane has narrow parts, and there are several properties with driveways opening on Kahoaloha Ln. Let's show our aloha and take turns getting through these narrow areas and not blocking our neighboring apartments' driveways.

Your **Aloha** will make our drop-off and pick-up procedures work, and keep the experience safe and as quick as possible! Thank you!

Sincerely,

A handwritten signature in black ink that reads "Lynn M. Kobayashi".

Lynn M. Kobayashi
Principal
